Executive Board Report.

LADIES AND GENTLEMEN,

Your Executive Board has pleasure in submitting the Annual Report and Statement of Accounts for the year ended December 31st, 1928.

It is with deepest regret that we have to record the death of our President, Mr. R. R. DAVIES, M.E., who passed away towards the end of his year, of office.

Mr. Davies rendered great assistance in the administrative work of the Hospital and took a keen interest in everything appertaining to its welfare. An expression of condolence and sympathy was conveyed to Mrs. Davies and the Family.

Notwithstanding the great depression in the local Industries and the consequent trying period through which we are passing, it is pleasing to report, that apart from the Building Extensions Account, the financial position of the Hospital is very satisfactory.

The closing down of several Collieries in the district has seriously affected the revenue from that source, but it is gratifying to note the substantial increase in the amount received by contributions from those sections of the community that are not connected with the Collieries. The amount could be considerably augmented if every section would take a practical interest in the work of the Institution.

Another satisfactory feature of the year is the reduced cost per bed, it being the lowest since the opening of the Hospital.

IN-PATIENTS.

The number of In-Patients treated during the year was 788 as compared with 801 for the preceding year. The reduction was due to less accident cases received from the Collieries. The number of operations performed was 518 as compared with 512 for the preceding year, and the average number of beds occupied daily was 66 as compared with 60 for the preceding year.

The average number of days each patient was resident in Hospital was 26 as compared with 27 for the preceding year.

The average cost per annum of each occupied bed was £94 12s. 3d., a reduction of £15 0s. 6d. on the preceding year; and the average cost per patient was £7 18s. 6d., a reduction of 5/9 on the preceding year, which is partly due to the reduction in the average number of days for each resident patient.

OUT-PATIENTS.

The activities in the Out-Patient Department show a considerable increase over the preceding year. The number of patients that attended was 1,349 as compared with 869 for the preceding year, and the total number of treatments given was 12,317 as compared with 8,381 for the preceding year, and are made up as follows:—

Ophthalmic	...	323
Massage	...	2986
Electrical	...	1426
Whirlpool	...	3620
Sunlight	...	3224
X-Rays	...	738
<hr/>		
Total	...	12317

These figures give ample evidence of the usefulness and popularity of the work done in the various sections. The average cost per patient was 5/6 as compared with 6/11½ for the preceding year. The reduction was mainly due to the greater number of patients treated for approximately the same standing charges.

We desire to record our thanks and appreciation of the very valuable service rendered by the Medical Staff and the Radiologist during the year, also to the Matron and her Staff for the patient and efficient manner in which they performed their onerous duties.

Expenditure	...	7386	11	10½	7730	11	11

The Receipts show a decrease of £518 9s. 10d. on the preceding year, and is due to the reduced amount received by contributions from the workmen, as a result of part time working and the closing down of Collieries in the district.

Our best thanks are again due to the Lady Collectors for the splendid work done in the Annual Canvas for Subscriptions, the Workmen and Members of the various professions and trades in the district for their loyalty, the Annual Subscribers, the Churches of Aberdare and District, the Hospital Dance Committee, the Glamorgan Police and Aberaman Rugby Football Teams, the Aberdare Horticultural Society, the Aberdare Constitutional Club Flower Show Committee, the Alexandra Rose Day Committee, Aberdare Girls' County School, Merthyr Board of Guardians, Windber Male Voice Party, Hirwaun Social Welfare Committee, Prudential Assurance Co., Collectors of Silver paper, and all who have assisted the funds by donations, collections and proceeds from concerts, etc.

The Expenditure shows a decrease of £344 0s. 0½d., which is due to a reduction in the amount spent on repairs and renovation.

The Receipts show a grant of £500 received from the Miners' Welfare Fund towards the reduction of Bank Overdraft, and for which we are very grateful.

The Expenditure includes Bank charges on the Overdraft, also Architect's Fees and part cost of Furniture for the Children's Ward.

CHARLES KENSHOLE MEMORIAL WARD.

We are pleased to report that the work of renovating the administrative portion of the Main Buildings in the Hospital and the Convalescent Ward has been completed, and the Iron fencing and Gates at the Main Entrance have been painted.

The laying out of the grounds in front of the Charles Kenshole Memorial Ward into lawns and a rosery has been completed. The rich colours of the roses, together with the picturesque surroundings, will be a pleasing sight to the most fastidious taste, and a source of joy and happiness to the sick children in the Ward.

Our best thanks are accorded to Mr. C. S. Mason and the Committee of the Miners' Welfare Fund for their generous gift of Shrubs and Rose Trees.

We much regret that the claims of the Hospital do not receive the support it deserves from all sections of the Community. Everything possible is being done for the alleviation of suffering in the district, and it behoves every member to show their appreciation of the noble service rendered by becoming either voluntary guinea subscribers or contributors of 3d. per week to the Funds of the Institution.

It may be difficult for you to turn your home into a hospital, or for you personally to carry on the work of a physician, surgeon or nurse, but you can help to provide the means for this to be done.

Signed on behalf of the Executive Board,

J. PROWLE, *Chairman.*

FRANK HODGES, *Hon. Treasurer.*

A. W. HUMPHREYS. *Secretary.*
